

EXPLORING RELATIONSHIPS - A TASTER DAY FOR WOMEN

Personal development event | Course leader Abi Jude

Are you struggling to form and maintain an intimate relationship? Maybe you've never been in an intimate relationship but would like to be, or perhaps you've been seeking someone and feeling lost not knowing where or how to meet them?

The focus of this group is to share and support each other in our experiences of searching for and meeting people in the pursuit of a connected relationship.

Throughout the day we will focus on what we are personally looking for and how we can put this into action in the future, with a look at dating.

The group is open to women of all ages and sexual orientation (cisgender) with a maximum of six participants.

Please bring a dish of food to share for lunch.
