

Practice Management For Psychotherapists And Counsellors

Professional development Workshop | Course leader Julia Naish

This workshop is designed to focus on information and skill development about how to manage and run a practice. It will be of value both to new practitioners and to those established in their work.

We will cover a number of areas:

- Professional issues including publicity and marketing, notes and records, appointment making, written contracts, peer support, training.
- Legal and business issues including insurance, your psychological estate, finance and financial planning.
- Practice management issues including accommodation, holiday arrangements, time management, reviewing and planning work.
- Developing your website and making it work for you.

Dates

The next dates will be announced shortly.

Price

The cost of this workshop is £120.

How to apply

If you are interested in the 2011 workshop, please book online.
